

Letter of Acceptance

I hereby confirm that **Anna Pauk** (Sumy A.S. Makarenko State Pedagogical University) has been selected to take part in an international **Erasmus+ Youth Exchange entitled "Erasmus Olympic Games – Winter Edition"**, which will take place in Budapest, from 7 to 14 December 2025, organised by the Hungarian Parkour Association.

This project is funded by the Erasmus+ Programme of the European Union and brings together young people from several countries to develop key competencies that are essential for their academic, personal, and professional growth. During the exchange, participants will engage in non-formal educational activities focusing on intercultural dialogue, teamwork, leadership, inclusion, and healthy lifestyles through sport-based learning methods in the spirit of the winter Olympics.

Anna Pauk's participation is important to our organisation, as she plays an active role in representing the Ukrainian group and contributing to the success of the programme. Throughout the project, participants will have the opportunity to improve their communication skills, enhance their ability to work in international teams, develop problem-solving competencies, learn about the power of sports, design and facilitate value-transferring sport activities and gain a deeper understanding of European values and cultural diversity.

We kindly request that you grant Anna Pauk justified absence from university during the above-mentioned period so she can take full part in this educational mobility activity.

Should you need any further information, please feel free to contact us.

Kind regards,

Szentváry-Lukács Vajk
