

CERTIFICATE

This certificate confirms the successful participation of

YULIYA LYTVYENKO

in the Project «UNSTE: Ukraine Natural Science Talent Empowerment» (Diary number 01254/20230)
provided by SI Baltic Sea Neighborhood Program

The project offered academic training and education at the Luleå University of Technology and contained both online meetings and training onsite at the campus of the Luleå University of Technology in Skellefteå, Sweden from 10 January until 17 January 2025, including participation in the following lectures and training:

- "Swedish University system, LTU and Division"
- "Swedish funding landscape in connection to Ukraine"
- "Academic career as a woman"
- "Gender-Based Violence"
- Visit to research facilities of the SciLifeLab Umeå (Science for Life Laboratory) and training in:
 - Umeå Centre for Electron Microscopy – UCEM
 - Swedish NMR Centre
 - Swedish Metabolomics Centre – SMC
 - Biochemical Imaging Centre Umeå – BICU
 - BioMolecular Characterization Umeå – BMCU
 - The Biopolymer Analytical Platform – BAP
- Visit to research facilities of the Umeå Plant Science Centre (UPSC):
 - Department of Plant Physiology at Umeå University
 - Department of Forest Genetics and Plant Physiology at the Swedish University of Agricultural Sciences – SLU.

The total duration of the program was 180 hours (equivalent to 6 Credits, ETCS), with 60 hours dedicated to hands-on training sessions and 120 hours for online learning activities in the professional courses, and also in the courses "How to write a paper"; "Pedagogy".

Training was performed in English.

Project leader:

Dr. Olena Myronycheva,
Associate Senior Lecturer
Division of Wood Science and Engineering
Department of Engineering Sciences and Mathematics
Luleå University of Technology, Sweden
